Welcome!

We hope you are all safe and well. The last two years have been a very challenging time for everyone. We are so grateful for our hobby which has been an island of safety and joy during a time of unimaginable calamity. As you realize, we did not have an auction last year because of Covid but we are thankful to be able to have one this year.

IF YOU ARE PLANNING TO ATTEND THE AUCTION: Please be absolutely certain to check with us before making your travel plans. As of this writing, the Collectors Club building is open and we plan to hold the sale there as usual. However, if due to Covid the building is closed or we feel it is unwise or unsafe to hold the sale there, we will advise you of the alternative location. In any case, the sale will be held live.

VIEWING: We will not have auction viewing at Nojex this year because regrettably the show has been cancelled due to Covid. We will try to make alternate arrangements if you cannot view at the Collectors Club. Please give us a call to discuss.

Our 39th Public Auction is strong in British America and features the "Pinehurst" collections of Leeward Islands and St. Kitts-Nevis, a marvelous specialized assemblage of mint, used, specimens, proofs, and a plethora of varieties. Paul Larsen's gold medal collection of Leeward Island Postal Stationery and other Leeward material contains many treasures. The "Hatteras" collection of British America is replete with key values and a degree of completeness not usually found. We also offer the Eric W. Todd collection of Cayman Islands, two specialized collections of Dominica, one with a vast holding of covers, Grenada with specialized War Tax, interesting Br. Honduras and an extensive section of Montserrat postal history. Literature and a very nice group of lots and collections will be found at the end.

For our overseas bidders: After 41 years we regrettably have had to close our sterling account at Barclays because regulations have changed and we have been advised that businesses not based in the UK can no longer have accounts there. Successful overseas bidders will now please pay by wire transfer into our US dollar account or by credit card (which incurs a 3% surcharge). Our new bank information will be found at the bottom of your invoice.

We are now accepting consignments for our 2022 Public Auction. We are also buyers of general and specialized collections, interesting individual items and dealers' stocks. What have you to offer?

Now, on with the sale!

Phoebe A. MacGillivray
